What the Employee Combined Campaign Makes Possible:

Beneficiaries from our 2025 Employee Combined Campaign have been putting your donations to work since January, and what an impact you've had! Thanks to your generosity, our WIC program has been able to purchase supplies to support infant weaning and hygiene. These include 400 infant feeding spoons, 400 infant feeding bowls, 400 bibs, 400 training cups, 60 tubes of children's toothpaste, 116 packages of baby wipes and 9,984 diapers!

“I just want to say that MaineGeneral has been so amazing and understanding to me during this very difficult time. From my supervisor to the team as a whole as well as HR and now the HEART fund committee. I will never be able to express my gratitude and appreciation.”
